

Time for Tea

By **Monika Veleva**

Since the naissance of LeMontBlanc, we have welcomed visionaries and explorers seeking a place to rest, recharge, and bask in the wonder of the Swiss peaks. Our refined afternoon tea menu, meticulously crafted by Pastry Chef Monika Veleva and Head Chef Yannick Crepaux, pays homage to the rich culinary traditions of the Valais region, blending the classic with a fresh, modern approach.

Designed to honour the spirit of adventure and the rare art of savouring the present – embracing moments of reflection and pleasure – this experience is crafted for those who revel in the journey as much as the destination.

The LeMontBlanc Classic Afternoon Tea includes five delicate sweets, two savoury creations, and a classic scone prepared in the Valais-style, all complemented by a tea of your choice.

Enjoy these culinary creations every Friday, Saturday, and Sunday from 3 PM to 6 PM, or by request with 24 hours' notice.
